OFFICE OF ADMINISTRATION \* OFFICE OF MANUFACTURED HOUSING \* OFFICE OF STATE FIRE MARSHAL

---

### **FY11 Tribal Consultation Annual Report** *July 28, 2011*

The Department of Fire, Building and Life Safety (“Department”) has recently re-initiated its relationship with the Arizona Commission of Tribal Affairs and tribal leaders. In March of 2006, the Department established SP/QOQ-101, a Substantive Policy Statement, titled “ADFBLS Tribal Government Policy” recognizing the sovereignty of Tribal governments and their jurisdictions over tribal lands as defined by federal law.

The Office of State Fire Marshall and Office of Manufactured Housing did attend the May 2011 meeting for the American Indian Chamber of Commerce of Arizona with speakers focusing on developing opportunities for economic development for Native American communities. In addition, the Department provided an overview of Department’s functions for publication on the Tribal Liaisons website.

Department staff plans to meet with tribal leaders to review policies and procedures on how the State Fire Marshal can work with the Tribes with regard to fire code inspection and plan review of schools situated on tribal lands. In addition, the Deputy Director for Manufactured Housing will work with the Tribes on policies and procedures to assist in the inspection and plan review for the installation of mobile/manufactured homes and factory-built-buildings on tribal lands.
